Dholpur Pink

Dholpur pink sandstone has its origin in Rajasthan. This fascinating stone features soothing pink color on the base of red. Its has a compact structure that lends a rugged feel to the stone. The structural composition of the stone provides great ease of workability and makes it perfect for both interior and exterior applications. This stone has regular bedding, uniform grain size, suitable nature and durability. We can offer Dholpur Pink in different finishes such as sawn, polished and natural. The stones can be cut to the required sizes in various forms including tiles, slabs, blocks, etc.
