Jodhpur Ita Gold

Experience the feel of luxury and freshness weaved by the enchanting Jodhpur Ita Gold Sandstone. These sandstones perfectly resemble gold beaten into thin veins on dark yellow base. Compact structure provides a smooth finishing to the surface. All the edges are honed to ensure no breakage during the transportation. Jodhpur ita gold sandstones are resistant to weathering, still easy to work upon. They can be cut into various forms such as block, tiles, slabs, etc. These stones are preferred for their exotic look that blends perfectly with every environment, be it residential or commercial.
