Jodhpur Pink

The earthed toned Jodhpur pink stone creates a stunning effect for interiors and exteriors. These stones find application in terraces, patios, or flooring and other building installations. Compact structure with uniform texture also makes Jodhpur pink an ideal choice for indoor and outdoor paving. Rough or polished, split into random slabs or cut into tiles, these sandstones can create a look that varies from rugged to refined. Jodhpur pink sandstone is very common in markets worldwide and are available in variety of finishes such as natural, calibrated, honed, polished, flamed, etc. The stone can be cut to exact size required by the clients.
