Sagar Black

This sandstone also known as Black Sandstone or Kalahari black is extensively used in various Exterior Paving's & landscaping. This color is available in limited quarries and therefore is quite exclusive.

Warm and impressive, coarse grained Sagar Balck sandstone has natural black color with shades of yellow around the edges. The shade of yellow on these natural stones lend a distinguished look and make them perfect for interiors, exteriors and landscaping. Along with the aesthetics, its natural properties such as high resistance to weather conditions, riven texture, non-slip surface etc., make the sagar black sandstone suitable for pathways, patios, pavements, etc. The stone is extensively popular in the Europe for large landscaping projects and is also preferred for exterior cladding in sea shore buildings.

The stone can be natural, brushed, honed and polished as per usage requirement. Available in tiles and cobbles, we offer Black Sandstone in varieties to create an interesting interiors or exteriors. The material we use comes from the area of Sagar Village in Madhya Pradesh.
